Thank you for buying a Confetti Flower Field Professional Photography Pass!
Please print this document, complete your name and 5-digit order number (found on your invoice). Please read and sign the attached T&C's. Bring all this with you to the flower field and keep it on you at all times.

Admission tickets will be checked in your car. There will be a special entry lane for Professional Photographers (lane 1) so please look out for signs and tell the gate staff that you have a Photo Pass. You'll then be directed into the carpark.

There is a dedicated Photographer's Meeting Point under the big top marquee in the main grassed social area of the field - it will be the one on its own on the left as you look at the flowers from the carpark. This is the best place to arrange to meet with your clients.

Photographer's Location Pass 2021

Terms and Conditions of Sale

Staying Covid-19 Secure in 2021: Most importantly, DO NOT leave your home if you or anyone in your household/bubble has Coronavirus (COVID-19) symptoms. These are a cough, and/or high temperature, and/or loss of, or change in, your normal sense of smell or taste. At the time of writing, we don't yet know if the government will remove all social distancing measures etc on 21.6.21. Therefore, you will need to abide by any government guidance that may still be in place. Above all, we would ask you to be kind and considerate to other visitors and our staff. We have lots of room the flower field ☺ Some people may still be cautious of groups and crowds so please be nice and give people plenty of space. Please be especially careful and considerate in queues and busy areas. Please bring hand sanitiser with you and use it regularly. There is no running water in the flower field.

- A Professional Photographer's Pass gives you, the photographer (1 person), access to the field between 10am – 5pm on your chosen date/dates as printed on the purchased pass/es. If you work as a photography team, each photographer needs to buy their own pass.
- There is NO ACCESS permitted with this pass outside of these days and times. There is NO ACCESS to any of the surrounding fields.
- Your clients must buy their general admission tickets from our website in advance. Please do not buy admission for your clients - they will need their own booking reference numbers in order to enter the field.
- Passes are transferable but not refundable. If you wish to change the date on your pass, please leave a message for Penny on 01386 555045 with at least 24h notice. We will be open if it rains and we would encourage you and your clients to wear wellies and bring colourful umbrellas for an equally fab photo opportunity! However, if you want to come on an alternative day you must telephone us at least 24h beforehand to re-book your pass/es. The flower field will only be closed if the weather conditions are extreme – we will call you to let you know and you will receive a refund for any pass valid on that day.

In addition to our General Admission Terms (below), to make everyone's visit to our flowers more enjoyable, we ask that you adhere to the following –

- Please do not bring excess baggage or equipment.
- We will not allow large props and large pieces of equipment into the flower fields. (eg. suitcases, furniture, step ladders) A stool or small steps is fine. Please don't use our chairs to stand on – it's too wobbly underfoot.

- There are no changing facilities on site. It is not appropriate to change clothes/costumes in the flower fields. Please do not bring changing tents. Lifestyle, Fashion & Product Shoot are not allowed during the public open days.

Our flowers are grown to be harvested for wedding confetti, so we need to look after them:

- Do not encourage your clients to walk in amongst the flowers. Keep to the edges and the mown pathways.
- When taking pictures please do not stand in amongst the flowers yourself. Keep to the edges and the mown pathways.
